

STUDENT ENROLMENT FORM

This form is designed to be used for enrolling students in Victorian government schools using CASES21.

Schools, please note:

It is imperative that any enrolment form the school provides to parents/guardians contains the questions marked with the symbol \diamond (and shaded yellow) exactly as they appear on this form. This is a requirement of the Commonwealth Government.

All schools across Australia are required to collect this information for all students. Critical to the success of this process is that all schools use the nationally consistent definitions for student background characteristic information exactly as they appear on this enrolment form. The data obtained from this process is linked to student results on national tests, aggregated, provided to the Ministerial Council on Education, Employment, Training and Youth Affairs and published in such publications as the National Report on Schooling in Australia. No individual student or school is identifiable through the published information. [Refer to Circular 291/2004 for more information.]

A copy of the School Enrolment Privacy Collection Statement must be attached to this enrolment form before distribution to parents and guardians as this is a requirement of the *Privacy and Data Protection Act 2014 (Vic)*. School Enrolment Privacy Collection Statements are located here https://edugate.eduweb.vic.gov.au/sites/i/Pages/production.aspx#/app/content/2058/support_and_service_(schools)%252Flegal%252Ffoi,_privacy_and_copyright%252Fprivacy

Explanations of the Parental Occupation Group codes are included at the end of this document.
