BADGER CREEK PS

Welcome back to Term Two!!!.

Here's what we have been up to this April.

Firstly we had our April School Holiday Program, this was so much fun with Bowling, The movies, Mini golf, Craft days and Basketball!

First week back we celebrated Autumn with crafts like painted trees, making owls and stained glass leaves.

With ANZAC Day on the 25th, our second week we decided to commemorate emergency service workers by making police hats, little spoon soldiers and cardboard ambulances.

This April has been so much fun! Make sure to book in so you don't miss out.
